## Founding Father

### Mentor & Visionary

Our Founding Father Muhammad Janis Khan, a self-made man with a heart full of kindness and love initiated his professional journey just after completing his SSC from Government High School Baffa. He worked in different organizations, financial institutes and C&W department in the city of Karachi. Alongside his job he completed his education from St. Xavier's Commercial Institute and got his Bachelors Degree in the field of Commerce. He moved to Peshawar in 1971 and joined IDBP (Industrial Development Bank of Pakistan). He served the organization till his retirement, did many courses of banking from abroad and remained manager of Abbottabad Branch for almost 15 years and retired as Assistant Vice President. His love for the people of his own area was so strong that he always wanted to give them back something good and constructive to acclaim his association.

He inspired his son Fayyaz Ahmed to start his professional journey in such a way that he can truly serve the people of his vicinity, knowing the importance of professional education for the less privileged area of Mansehra he laid the foundation of Jinnah Colleges in the year 1996. He acclaimed his identity and was proud of his roots and through Jinnah Colleges he left his speck of love for the people of district Mansehra. No doubt his life was full of compassion, kindness, honesty and hardwork. He passed away on 7th October 2000 in the same campus from where he initiated the journey of excellence among his beloved students during delivering the speech in the monthly college function. He left with a message of compassion and his last words for the students were that, they should shape their destinies by working hard and with devotion.

May his Soul Rest in Peace... Ameen!

## TO JINNAH BASIC SCHOOL & BOYS COLLEGE

"Knowledge is a storehouse, for the glory of the Creator and the relief of man's estate"  
Francis Bacon

Jinnah Colleges is a very special place to be, a humble dream to spread the knowledge to its highest and to enhance the learning capabilities of our youth. Here teachers, parents and students work exceptionally well together to create a warm, vibrant and friendly atmosphere.

As educationists and guides of future generation we are creating awareness in the students to adopt a living which should align with their cause to come forward, to be a warrior of light and share their knowledge to enlighten the whole society/world.

Jinnah Basic School and Colleges has established over the year a unique relationship with parents based on trust, reliability and integrity; it is a pivotal element of how we work. Our institute specializes in the field of education right from Montessori schooling where little Pakhlans are groomed along modern trends in the field of pedagogy. What sets our institute apart is its commitment to the provision of comprehensive educational environment aligned with contemporary techniques and methods in a clear, reliable and unequivocal manner.

School has developed a comprehensive syllabus providing our young children high-quality education in a serene environment augmented by state of the art infrastructure and highly qualified faculty. Our centralized examination section built an excellent foundation of standards for the transparent assessment of the students. Students, parents and teachers now know about the standards for success in examination. Throughout the academic year, planned activities and ample opportunities of exposure give students confidence and courage to face the challenges of life.

It is very important to mention that admissions are offered in preschool only so students can get optimum input and reap maximum benefits of this holistic education system. The institution offers separate campuses for boys and girls after class Four till Second year.

The school has improved rapidly in recent years and continues to go from strength to strength. Most experienced teaching staff and nearly two decades of administrative experience has made Jinnah Colleges the first choice of students and parents. Transparent intake policy through entry test in college, teachers' training workshops, centralize internal exams, workshops on how to attempt papers and special education career counseling session are some of the main features of college years. By the grace of Almighty Allah, parents have developed high level of trust; Insha Allah, with your coordination and association and our affiliations, we will cover more horizons of success together.

I extend warm welcome to all the students who are looking forward to seek admission in our Institute, whether they want to pursue their dreams in F.Sc (Pre-Medical, Pre-Engineering, and Computer Science) or D.Com, DBA. Especially I extend heartiest welcome to our little Pakhlans in preschool. We have a firm belief that your decision of choosing this institute will never disappoint you and will give you a sense of pride being part of this institution, based on high standards and creating new benchmark.

I look forward to welcome you personally at Jinnah Basic School and Boys College Mansehra.

# MESSAGE

## ADMINISTRATOR - JINNAH COLLEGES

Jinnah Colleges wish to bring the best out of its students, by helping them discover themselves and empowering them for their better future through quality education. As Malcolm X stated, "Education is the passport to the future, for tomorrow belongs to those who prepare for it today."

One prime factor that distinguishes humans from other species is their sense of purpose, and Education is L/- the fuel of purposeful life. It is a very powerful entity, equipping human beings to gain understanding of the world and providing opportunities to use that knowledge positively. Jinnah Colleges make it possible through collaborative trinity of educationists, parents and students; for education is a collective process that can only be achieved in a willing environment. Real education is not just having formal textual knowledge, it is in fact knowledge of life, a guidepost connecting people not only to their inner selves but also with others, with environment and things unknown in the life ahead.

Jinnah Colleges execute and showcase itself as one 1 family comprising of administration, teachers, students and their parents whose bond is deep rooted. Our students, our 'Pakhlians' are an immense source of pride for us. No matter wherever they go, Jinnah Colleges always will be part of their journey, cherishing their success and owning them heartily. After all, our motto is to educate with values and skills to seek true knowledge of life itself.

I invite parents to join our family and become part of our collective journey; journey towards excellence in life and journey towards a better future, a better society. Let's join hands and put efforts together for equipping our children with quality education; education that works.

As B.F Skinner rightly said:

"Education is what survives when what has been learned is forgotten."

Welcome to our humble abode of learning.

**LANGUAGE CLASSES**

Class 5 onwards English language communication is regulated through practical and natural system of language acquisition and phonetics. There is a weekly period for language skills and activities.

**NAZRA/ QURANIC CURRICULUM**

The school facilitates the students with weekly lessons of Nazra. The school Nazra teacher teaches Noorani Qaida and 30<sup>th</sup> para with tajweed.

- Hifz of some "Surahs" of 30<sup>th</sup> (chapter) para from class one to five.
- 20 "AL-Hadith" with translation.
- Everyday life religious and moral practices and practical teachings.

**COMPUTER LAB/COMPUTER CLUB**

Keeping in consideration the value and importance of computer literacy in the scientific era, school has state of the art computer lab with latest computers and proper LAN. Computer literacy has been made compulsory from class one onwards.

**CALLIGRAPHY/ HANDWRITING CLASSES**

To convey jewels of knowledge, good writing expression is very important. So to beautify and to bring excellence in writing/ transcript of students, a daily handwriting period is taken by a renowned calligraphy.

**CELEBRATION OF NATIONAL DAYS**

According to spirit of the event, national days are celebrated and awareness regarding the event is created. Their historical background and other important information is shared through different activities and assembly presentations.

**CELEBRATION OF INTERNATIONAL DAYS**

A random calendar of important international days is part of studies to make students recognize their importance and different activities are developed in this scenario as medium of expression, like poster making, declamation contest, assembly presentation and many more.

**ETHIC/ MORAL CURRICULUM**

School has designed a practical skill-based curriculum that aims at development of the future generation as responsible, moderate and constructive citizens of the country as well to be prepared for leading the human race. It is based on simple everyday chores and skills pertaining to moral and ethical development of young learners.

## 3. CO-CURRICULAR ACTIVITIES/ HOUSES

Co-curricular activities are very important part of formal training and play vital role in promoting self-reliance, confidence and pride along physical, mental and spiritual development of students. Apart from learning number of useful skills; such activities provide chance to the students to display their talent and potentialities in formal environment. School took many outstanding steps to cultivate different skills in the students right from the beginning. These activities are pursued by the students under the supervision and guidance of the teachers. All the classes participate with enthusiasm and high spirit of competition to prove their zenith.

## EXPOSURE

## MONTHLY FUNCTION

School organizes monthly functions in which all the students participate. This encourages the student to take part in speech contests, dramas, public speaking and other stage competitions. These activities help students overcome stage shyness. English and Urdu debates further polish the speaking skills of the students.

## QIRAT TRAINERS AND NAM D-O-NAAT

House period is arranged on every Friday / Saturday from class Five onwards to prepare the children for Qiraat, Hamd and Naat. Special trainers from the vicinity are hired for this purpose. Apart from monthly competitions, annual Qirat and Naat competition is regular part of school activities.

## DEBATES/PUBLIC SPEAKING

Public speaking and debates play important role to develop different forms of communication skills. Every student is given topic for public speaking during assembly. Special trainers are hired to prepare the students in speech house weekly lessons.

## SPELLING COMPETITIONS

To enhance the vocabulary, diction and literal realm of students, Spelling Bee Competitions are made part of students' co-curricular activities. Two preliminary rounds, and one final round decides the Spelling Bee Champion of the year. The vocabulary for this competition is mainly from curriculum & dictionary.

## ASSEMBLY

In a unique manner, students present recitation accompanied by Urdu and English translation, Hadith, Naat and Kalma. Daily classwise students have to speak on a topic and also share news of the day. A group of three students classwise presents a presentation on any important topic including current affairs in the morning assembly on daily basis. This practice not only helps the students to overcome their stage shyness but is also a source of great information for all.

## GAMES &amp; SPORTS

Games and sports are essential to keep students mentally and physically nourished and fit. Apart from weekly and monthly sports fixtures, annual regular sports week is held in which students take active part. It is compulsory for every student to take active part in at least one game. School has an adequate and well maintained sports arena. The main sporting activities are athletics, (tug of war, long jumps, discus throw, sack race etc) cricket, hockey, football, badminton, table tennis and volleyball.

4. EVENTS & ACTIVITIES

An academic routine to enhance the learning abilities of students and to broaden their realm of mind different days are especially celebrated and variety of events are planned.

MONTHLY EVENTS

Colour Day, Pet Day, Flower Day, Culture Day, Vegetable Day, Fruit Day, Preofession Day, Mother’s Day, Father’s Day, Ice Cream Day, Fun Gala etc.

These activities make students associate to the real life and helps them accommodate in the environment around them.

5. TOURS AND TRIPS

INTERNATIONAL TOURS

Exposure and positive activities are important part of student's growth in a balanced way. By exposure, students will be able to face the challenges of modern era. So, besides academic realm and co-curricular activities, national and international tours are very important to broaden the vision and attitude of the students. In this regard, we have schedule of activities and trips providing opportunities, for students to participate in various activities like conventions, seminars, youth conferences, sports events, quizzes and leisure trips at national as well international level. Internationally, our students and faculty members visited China, England, Japan, Nepal, Bangladesh, Malaysia, Singapore and Mauritius. Many more lands are yet to be explored.

NATIONAL TOURS

Exposure to the natural environment is essential for broadening mental horizons. Institute also undertook excursions and study tours to different areas of the country. Efforts are made to take students to all popular visiting places of Pakistan like Islamabad, Muree, Ayubia, Nathiagali, Khewra salt mine and Hornoyee etc.

STUDY TRIPS

Apart from leisure trips, study trips are part of academia where students learn through visits of social institutions. Monthly study tours to banks, GPO, hospital, grid station and other religious, social (Sr business institutions and places are part of the practical learning curriculum.

## 6. WORKSHOPS/ SEMINARS

EMPOWERING  
STUDENTS TO  
TRANSFORM  
CHALLENGES  
INTO  
OPPORTUNITIES

## EDUCATIONAL CAREER COUNSELING WORKSHOPS

Educational Career Counseling Session is an essential resource for students and parents to sort out and understand educational options and their interest/ priorities. For the first time in Hazara, Jinnah Colleges organizes yearly Career Counseling Workshops to develop students' educational plan and to guide them for ensuring their educational and career goals.

## TIME MANAGEMENT WORKSHOPS

Every year Jinnah College conducts a workshop on Time Management for the students. Through this interactive session different aspects and importance of strategic Time Management & Planning are explained and its impact on the success of individuals especially students to achieve maximum in life are highlighted.

## GLOBAL EXPOSURE

We at Jinnah Colleges create numerous opportunities for students at yearly basis to experience International youth exchange programs, events and competitions.

## HOW TO ATTEMPT PAPERS

It is a common observation that often in Board Exams, papers have been solved very well by the students but the score they get is less than their expectations. So keeping this in mind, our institute annually organizes workshop to guide students about attempting papers effectively and properly. Mock Exam for board classes before Board Exam is also a distinctive feature where all students get a chance to evaluate their performance and thus can improve their grades.

7. SOCIETIES

STUDENTS' SOCIETIES

Students' societies are working in the institute to ensure total development of students as quality member of society.

Faculty: Director, Administrator, Principal and Teachers are the heads of these societies.

PAKHLIANS' LITERARY SOCIETY

- It works to promote and maintain literary work and events. Dramatic Society, Debate House, SQC groups and other relevant groups work under this society with the motto, "In the Pursuit of Truth and Creativity".
- It conducts all the literary activities of the institute with passion and sheer excellence. Head Pakhlian and Asst. Head Pakhlian are elected from senior students representing entire school and two elected students are the members from each class.

STUDENTS' EDITORIAL BOARD

- Student editors are also member of Pakhlians' Literary Society. They are mostly selected students having interest in Literature and Arts or having some writing exposure. They contribute and collect literary work from fellow students for the college magazine.

ISLAMIC RELIGIOUS SOCIETY

- It is responsible for conducting religious activities and seminars inside and outside the institute and works with the motto, "For the Realization of True Spirit of Islam with its complete Glory."
- They work to follow and make others follow religious spirit and values in daily life and try to establish real spirit and true reflection of Islam through their words and actions.
- Head and Asst. Head are elected from senior students representing entire school and two elected students are the members from each class.

SHAHEENS

- It aims to promote social interaction among students and works to motivate students to honour and follow our values and practices with the motto, "Towards Spiritual Transcendence; In the Pursuit of Truth."
- It contributes to enhance the sophisticated educational environment inside the college premises as well as in the society. The pivotal duty of this society is to follow the uniform language that is English in the school/college premises. Head and Asst. Head are elected from senior students representing entire school

PROCTORIAL BOARD

- This society works to establish discipline and decorum in the school with the motto, "Honouring Discipline and recognizing Excellence".
- Chief proctor, Head Girl, Head Boy and Asst. Head Proctor are elected from senior students representing entire school and two elected students from each class are the members.

MONITORS

- This society works to maintain discipline inside the classrooms and help teachers to maintain their classroom chores.
- Head Monitor and Asst. Head Monitor are elected from senior students representing entire school and two selected students are the members, the member students are changed after a fixed time to give other students a chance.

ENVIRONMENTAL SOCIETY

- It works to create awareness regarding environment and contributes to the protection of it and natural resources with the motto, "No Evolution without Green Revolution". It organizes events like International Water Day, Tree Plantations, Global Warming and other events relating to environment & pollution.
- Head and Asst. Head are elected from senior students representing entire school and two selected students are the members.

### OLD STUDENTS SOCIETY / PAKHLIANS' ALUMNI

Old students association has been formed with the name of "OLD PAKHLIANS' ASSOCIATION" in 2004, the first annual general meeting was held in Sep, 2005, in which president and other designates have been appointed.

- To acknowledge and celebrate the success of Jinnah Colleges' old Students/alumni this society works to reunite the old students through reunion ceremonies as well by inviting them to different events and publish features about them in college magazine.
- The aim of this society is to create a series of well-organized events at which alumni could gather and reminisce. The old students can easily become its member just by contacting the Head of the society and submitting a form made available to them.
- The Head of the society is one of the old Pakhlian elected through elections, and all old students can be the members who have been enrolled by submitting membership forms.

### MATHEMATICS SOCIETY

- It works to make students admire Mathematics and to make them master in this important realm of knowledge through interesting and captivating activities. It works with the motto "Mind is the Powerhouse of Human Achievement".
- Every year this society organizes Mathematics Olympiad and invites other institutes of the vicinity to participate in the event.
- The head of the society is the head of Mathematics Department of the college. Capable and interested students with Mathematical aptitude are members of this society.

### STUDENTS' ADVISORY COMMITTEE

To know the academic and general position and status of the course and faculty from students' point of view, administration calls top two students from each section, who represent their classes in the monthly meeting with Director and Principal of the institute. It is a completely confidential meeting which helps administration to build a homogeneous & positive environment.

### PHILANTHROPIC ACTIVITIES

Our students & faculty apart from their academic responsibilities stand tall at any call of crisis. After the black blotch of 8th October, 2005, our dear students remained resolute and helped out the victims, set up a relief camp and travelled from Balakot and Muzaffarabad to Jabori and worked only for the survival of humanity. In this scenario, Trauma Institute Karachi founded a Philanthropic Psychological Aid Program with special team of doctors for the people who were in mental trauma after this mass destruction. The Psycho Trauma Team & Jinnah Philanthropic Team is established & working to continue this effort. This is a clear example of our motto, "Education that works".

UNDERSTANDING  
&  
PUTTING  
CHILDREN  
FIRST

## 8. WORKSHOPS/ SEMINARS

Jinnah Colleges offers numerous opportunities for the involvement of parents in their children's education.

### PARENT-TEACHER TERM MEETINGS

Education is a complete system comprising of not only five hours of schooling but also the time spent at home and the social environment contributes to the development of children. Parent-Teacher meetings are arranged in which students current level and rate of progress is discussed. Students' attendance, attitude, behaviour and achievement reports are maintained in their personal files and each file is reserved for one student. In the result of parent teacher interaction, institute gets meaningful feedback from the parents which is helpful to boost the overall educational activities of the students. Especially mothers give a lot of insight about the children's behaviour and attributes. So at the end of term exams, mothers' meetings are called to discuss the behaviour of the students, their academic development and deficiencies.

### WEEKLY MEETINGS/ OPEN DAY

Every Friday from 12:15 to 1:15 p.m. one hour is fixed for parents to discuss academic or behavioural issues with teachers on prior appointment.

9. TEACHERS' TRAININGS

STRIVING  
ONWARDS

Our institute hosts number of events, seminars, conferences & workshops to engage educationists and society in positive discourse.

WORKSHOPS FOR TEACHERS

To refresh and learn new things about education and relevant subjects school helps teachers through seminars & workshops to flourish in their field. In this context, different workshops throughout the session are part of school pedagogical implications.

- Regular monthly one day workshops/ seminar on different pedagogical implementations.
- Workshops for non-teaching staff regularly.
- Special one day, yearly orientation and training workshops with Oxford University Press.
- Regular winter & summer camps for teachers take place in which scholars from other cities are invited.
- Yearly three days subject based workshops and training session by subject specialists and visiting faculty in critical areas.
- International yearly workshops/seminars.
- SPELT monthly/yearly sessions.
- 'DUCERE': an organization been formulated for the training of teachers as leaders at regional level to conduct training workshops, seminars and winter/summer camps.

\* Jinnah Colleges acclaim teachers' contribution and efforts regarding progress of students through various rewards and prizes/ incentives for example "The Best Teacher Award" and increments during session.

10. AMENITIES

MEDICAL ROOMS FACILITY

The school has well equipped dispensary with two beds, medical inspection room; the medical officer and one assistant is available to provide medical care to students. The school has adequate arrangements to treat ailments of not too serious of nature like minor cuts, bruises and vomiting etc.

MEDICAL RESTRICTIONS

During school in spite of care and supervision, children sometimes suffer injury due to carelessness of other students or themselves. Minor cuts and bruises are common but sometimes even emergency cases occur because of which we have to take the students to emergency department of District Hospital Mansehra. Parents will be notified immediately in serious cases.

- Parents should keep in mind, God forbid if critical injury or even any fatal ailment occurs during the school hours, they should lay no responsibility on school administration.
- It is also advised in case of contagious diseases like chickenpox, smallpox, measles, influenza, severe cold, cough and diarrhea, please retain your son /daughter ward till completion of treatment and send the student when he/ she gets completely recovered. Thus strictly follow the doctors direction and do inform school via written application along with medical certificate.

AUDITORIUM & SEMINAR HALL

A spacious "Rukhtaj Beg u m Auditorium" with the seating capacity of three hundred spectators is also part of 'Ad min Block'. All the inter school competitions like quiz, movies and different presentations are held in it throughout the session. Also a multi purpose seminar hall is constructed in 'Girls Campus' with built-in multimedia and sound system for weekly staff meetings and sessions etc.

PHOTOS & MOVIES

In school during different activities and days, photographs of the students are taken and some of them are displayed on photo board of school picture gallery. On Annual Day, video is also made so if parents wish to seek copies they can contact the office or class teacher via written request. On payment, a copy may be provided or contact of relevant shop will be shared.

**LIBRARY**

A qualified librarian is looking after the school library. The library is spacious, fully furnished and properly ventilated. It houses more than 3,000 books on variety of academic and non academic topics for all age groups. Daily newspaper in English and Urdu, local and foreign magazines and periodicals are also subscribed. A weekly library lesson is fixed for every class to broaden students' intellectual horizon and to formulate their reading habits.

**LABORATORIES**

There are well equipped laboratories for Physics, Chemistry and Biology to support teaching of science curriculum. Weekly practical session takes place according to the subjects in these laboratories.

**CAFETERIA**

A state-of-the art purpose built spacious cafeteria with separate seating enclosure for student and Male & Female staff members is present inside the school/college. It offers variety of hygienic and best food items of reputed brands. Cola drink, bubble gums and food and confectionary items of sub standard brand are strictly banned.

**LAVATORIES**

Spacious community type lavatories built on modern style with several wash basins and ablution (Wudu) facilities are provided for junior and senior students separately. A separate sanitary worker remains vigilant to keep clean the area all the time.

**DRINKING WATER**

Filtered and cool drinking water is provided to students. For the purpose several water filter units and electric water coolers are installed in galleries, cafeteria & ground area. Even after the provision of facility of clean water students are encouraged to bring their own drinking water with them.

**BARBER SHOP**

Haircut remains the most problematic issue for school/college boys. Mostly during checking if a student's haircut is found improper, he must be sent to school/college Barber Shop and charges are included in the fee.

**11. HOMEWORK**

Homework is the continuation of academic learning process which strengthens the knowledge and practice of students. Parents should help students complete their homework, properly and correctly. It is a common experience that students have torn books and copies and make excuses that young sibling at home did it. We believe parent's interest and patronage creates a lot of difference so please try to make a difference.

**TIPS FOR PARENTS REGARDING HOMEWORK**

- Make sure to check the bags daily and make children to take care of their possessions. Mend and label the copies & books.
- Signature the daily homework page and test.
- Provide study area with chair, table and proper light.
- Try to fix reading times with your child for stories or discussion intervals sharing information and knowledge.
- Also check done classwork & homework if some spelling errors are checked as correct, correction must be made and inform the administration via note in diary.
- In preschool, it is persistent complaint of teachers that some books and worksheets sent home are not been returned by parents regularly. So please return copies, worksheets, diaries after completion of work in time.
- Parents' supervision and guidance is must; it is, in fact the only tool that can make students excel.

**ASSESSMENT CRITERION**

Our objective is to enable students to become proficient in their respective subjects. To achieve this objective we have prepared a comprehensive scheme of study. The main features of the scheme of study are:

- Total working days in each session are calculated after deducting holidays from total available days.
- Syllabus of all subjects is broken down according to available working days in the session. This helps the teachers to complete their courses smoothly and timely.
- Scheme of studies for class pre nursery and nursery will be sent to home in the beginning of each term.
- Written and oral, weekly and monthly tests are taken.
- Our assessment procedure includes, three term exams & final comprehensive exam class five onwards.
- Inclusion of marks of monthly tests, homework and vacation work constitute the 20% of Term Exams.
- For promotion to new class/grade it is mandatory to clear all subjects and to secure overall 60% marks.

12. SCHEME OF STUDY / TERM BREAKDOWN

LAYOUT OF ANNUAL SCHEDULE OF ASSESSMENT

As we have been following semi semester system, so each term assessment and vacation work is very important; as the selected marks of First Term and 20% subject matter from Mid Term will be included in the final term and this affects grades of student. Thus for promotion to new class, not only passing end term (final exam) is important but homework, class work, vacation work assignment and each term result will constitute student's promotion result. It is important that student should be regular during term exams, any of the students, absent in one paper will be considered failed. Our evaluation system is based on formative as well as summative assessments.

"LET'S BUILD A PROGRESSIVE & GREAT FUTURE NATION  
&  
YOUNG VISIONARY LEADERS"

LEAVE & ABSENTEE PROCEDURE

In case of genuine and necessary reason student's guardian/ parent should send an application for leave along with a photocopy of guardians CNIC same as attached and mentioned in the admission form with the signature of the same guardian. Application must only be submitted in the reception office before the start of first lesson where it will be verified, then will be sent to the respective class if verification thrives. Please note that,

- I. Leave for more than 3 days need medical certificate along with proper written application clearly stating\ days of leave.
- II. Without approved application if student remained absent for 2 days will be fined Rs. 100 per absentee.
- III. In case of being absent for 3 days in a month, (consecutive or in intervals) will lead to temporary expulsion and students will be readmitted only after fulfilling readmission procedure.
- IV. An application should indicate the cause and duration of absence.
- V. Students absenting themselves on days immediately after/ before holidays will be heavily fined, which may be Rs. 100/- to Rs. 500/-per day. Other important days like days of class tests, result, function etc may also be included in this category. No short leave will be entertained in any case.
- VI. Telephone messages for leave are not considered, only written application is acceptable.
- VII. In all case, level taken will be at students’ own risk as far as percentage of attendance is concerned. Even Medical Certificate will not condone a deficiency in attendance required institution and BISE.
- VIII. Sick leave even if sanctioned on Medical certificate leading to absence in an examination will mean failures in that examination.

PROCEDURE OF VERIFICATION

Verification means to see and check the attendance record of the student concerned and to verify the authenticity of the guardian signatures. Only applications of students having good attendance record are accepted on the discretion of class teacher.

MIGRATION CASES

Migration in subsequent year/ semester is only allowed on submission of tuition fee for the preceding period which is calculated from the date of commencement of classes of current year/ semester.

UMRAH /VISIT

In case of leave or absence for performing Umrah or any long visit abroad or in the country during the session, it is not possible to sanction application in any case. So parents/ guardians are requested to plan such activity during holidays. If student leave for Umrah or any other trip visit during academic session he/she will be expelled.

EXPULSIONS

Any student violating the rules or showing unsuitable behaviour can be expelled from the institute. The decision of principal is final and is authorized to struck off any student in the best interest of the school or other students without any prior written notice and without assigning any reason, as an administrative matter it is not necessary to justify and no pressurizing tactics would be tolerated in this regard. A student who fails school Internal examination and expelled from the school will not be readmitted in any case, however, he / she will have to pay all the dues of the school for the full session. Father / Guardian should carefully note this point before admission and signing the undertaking .

TEMPORARY EXPULSIONS

A student may be expelled if,

- Three absentees or more in a month (consecutive or in intervals).
- Any behavioural issue.
- Disobedience, non compliance to school rules or decorum.

ATTENDANCE RULES

- Roll call is maintained in first lesson.
- For sitting in the annual exam, it is must for students to maintain 90% attendance.

PROPER UNIFORM

- Make sure that uniform should be in accordance to the detail in the prospectus.
- Specially the gray color socks and make of shoes and presence of school tie and belt is important and should be followed strictly.
- Cleanliness of uniform is strictly checked. Daily washed uniform is must.
- Please replace discoloured, torn and shrunk uniform immediately and positively.
- No high neck or pullover of different colours other than red for girls and navy blue for boys is allowed .
- Personality and outlook speaks of person's background, family and ethics, so give it a serious consideration.

DAILY ARRIVAL AND DEPARTURE OF STUDENTS

It has been observed with great concern over the years that some parents/guardians exhibit irresponsible attitude towards the pick and drop of their children/wards at the school. Parents/ Drivers use to drop their children too early in the morning even before the opening of the gates and pick them very late, almost one to two hours after the closing of school. After school hours the administrative staff leaves for their homes and controlling and keeping the students at school premises is not possible; similar is the case in the morning where children arrive at the school so early before opening of the school and arrival of the administrative staff.

So all parents are requested; not to send your children/wards before 07:30 a.m. in the morning and do not leave them waiting to be picked late after school dismissal time. Also make sure that a responsible person should be present for picking them at school dismissal time. We will not allow any student to stay in the school in any case after 30 minutes of the dismissal time.

Please be informed that school administration will not be held responsible for any mishap or any other accident due to early arrival or late departure of your child/ward. It is further advised to guide/educate your children/wards not to leave school premises till the arrival of their guardian / parent/driver. They shall strictly be refrained not to leave the school with any stranger or alone and the repercussions of going alone or with unknown person may please be elaborated to them.

Also in case of preschool students, parents/guardians must check that students got all their belongings; school bags, lunch box, water bottle, school diary, books and copies needed for homework etc.

HYGIENE AND CLEANLINESS

- Please check nails and hair of students every Sunday.
- Students without tie or belt will be fined(exemption of tie is given during the months of July and August due to hot and humid weather).
- Make them take bath everyday in summer and after one day in winter.
- Don't oil their hair except before bath.
- If their haircut is found improper during checking, they will be sent to the barber shop at school and charges will be included in the fee.
- Students must attend school daily in full uniform.
- Daily check hooks and zip of trousers and buttons of shirts and mend them if needed.

14. FEE AND FINANCE

SUBMISSION OF FEE

In view of constant inflationary pressures, the fees are subject to review from time to time. So the school reserves right to review and increase tuition fee, admission fee or any other charges. However we try to limit it once a year and not more than 10%.

- I. Fee should be submitted before due date.
- II. Submitted fee, fine or any miscellaneous charges are not refundable.
- iii. The fee does not include tours, backup power supply by generator, photography, heating and cooling, entertainment, magazine fund , stationery, board exam and registration charges etc.

FEE SCHEDULE FOR THE SESSION 2019

Note: The below given fee schedule is for the year 2019, thereafter at least 10% increase is added on yearly basis. Separate annexure is given with each year admission form.

CLASS PRE NURSERY & NURSERY			CLASS PREP TO SEVEN			CLASS EIGHT, NINE & TEN			CLASS F.Sc-I & F.Sc-II		
1.	Tuition Fee	Rs. 3700 (Per Month)	1.	Tuition Fee	Rs. 3600 (Per Month)	1.	Tuition Fee	Rs. 3900 (Per Month)	1.	Tuition Fee	Rs. 4900 (Per Month)
2.	* Misc Charges	Rs. 2500 (Annually)		* Misc Charges	Rs. 2500 (Annually)		* Misc Charges	Rs. 2500 (Annually)			

\* Misc Charges are estimated on average expenses incurred on following heads:  
Sports, Cultural activities, Co-Curricular activities, Libraries, Laboratories, Book fairs, competitions etc

IN CASE OF NON-PAYMENT AFTER DUE DATE

The following points should be observed for submission of fee after due date:

- After due date, late fee will be charged till next date.
- After expiry of allowed time for payment with late fee, payment will be allowed subject to following:
  - i) An application from the guardian mentioning suitable reason of non-payment.
  - ii) Submission of previous fee challan.
  - iii) Approval from the principal is mandatory.
  - iv) Extra late fee charges will be levied.

FEE CONCESSION IN CASE OF SIBLINGS

- In case of two(02) or more siblings 20% relaxation in tuition fee is liable.
- Other charges as exam, stationery, haircut, tours and magazine fund etc will be charged full and no concession will be given in these or any other charges.

SIBLING FEE CONCESSION:

It is very important to note that male students of class four studying in Jinnah Basic School and Girls College are shifted every year to Jinnah Basic School and Boys College after their promotion. Where full monthly fee is charged from them as their siblings are left behind in Girls College. You are therefore intimated in advance that we have two separate institutions for Boys and Girls having separate affiliation and ownerships, therefore sibling concession is given only to those students who are studying in the same campus.

FEE CONCESSION IN CASE OF FACULTY MEMBERS

In case of faculty members only for teaching staff 20% admission and tuition fee will be charged. This concession is liable for only two children, however other charges as exam fee, stationery, magazine fund and tour charges etc will be charged in full.

MAGAZINE/BULLETIN FUND

School/ College Magazine "The Pakhal" is published after the interval of two to three years. The magazine fund is collected from the students, the amount of which is established keeping in view the total cost of publication. Also school Newsletter publishes bi-yearly and publishing charges are charged in fee when bulletin is handed to student.

15. LATE ARRIVAL

It has been observed that even having very reasonable timing in the area students usually arrive late. So to overcome this tendency following decisions have been made;

- I. Students coming late, upto five minutes will be fined.
- II. After five minutes school/ college gates will be closed and no student will be allowed in, and will be marked absent.
- III. Habitual latecomers' parents will be called to submit an undertaking about timely arrival of their children. If that even doesn't work, the student will be struck off.
- IV. Please make sure and enquire, whether your child reaches at exact time or not, make him/ her leave home 10 minutes prior to his / her routine timings if he/ she gets late.

16. PROCEDURE FOR WITHDRAWAL OF STUDENT

Procedural withdrawals are allowed at the end of the session only and for that one month prior notice in writing must be given to the school. Alternatively one month fee must be paid to the school in lieu of such notice.

Following steps must be followed to complete the withdrawal procedure.

- I. The intended withdrawal of pupil from institution during the academic year is not allowed otherwise all charges falling due for the remaining session will be charged.
- II. In case of government employees' posting to another station they must provide the copy of transfer order along with in-session withdrawal application.
- III. Near the end of the session, the time for withdrawal is announced and the parents who deem withdrawal must submit written application before the announced date, otherwise student's name will be transferred to his new class and all school dues will have to be paid by the student.
- IV. No SLC / migration/ provisional certificate will be issued until receipts of all dues up to date are produced.
- V. Withdrawals are only possible at the end of the session, in case of emergency withdrawal, parents have to pay remaining session fee.
- VI. Applications of entry tests for other institutions are only signed when parents should submit withdrawal application with it and if they apply again for admission, their cases will be considered as fresh candidate for readmission if seats are available.

CANCELLATION OF ADMISSION

- I) Student absence from the school for a period of one month, unless arrangements for such absence have been agreed by the Head of the school.
- ii) Fee/dues have remained unpaid for two or more consecutive months.
- iii) Student has been asked to withdraw from the school due do disciplinary reasons. The school in the event of such case will not be required to give any notice before enforcing its decision which shall be within the absolute and sole discretion of the school.
- iv) Student has failed in the same class for two consecutive years or, has failed to qualify for promotion on two different occasions in his/ her school career or been conditionally promoted more than once in any class.
- v) Failing in one or more subjects in Annual Examination or getting less than 50% marks in one subject and less than 60% marks in overall result.
- vi) If already detained and fails again in Annual Examination, no repetition will be facilitated in case of (i), (ii), (iii) and (iv) stated above, fee will be payable till last attended month, parent / guardian of the child should clear all the outstanding dues.
- vii) Any student who does not appear in any term exams in two or more than two papers will be expelled and shall not be allowed to appear in the final exam.

17. ADMISSION CRITERIA

ADMISSION CRITERIA

Out of intellectual and moral growth comes the kind of self-confidence, self-reliance and sense of responsibility that enables a young person to become a good citizen. To produce good citizens, the management has decided to take students in the initial classes only. Admissions are granted on merit and determined on the basis of a competitive entry test.

The candidates are tested in Elementary English, Urdu, General Science, General Knowledge and simple Arithmetic along with an intelligence test. Interview is not only for confirmation of written performance and confidence of the candidate but also to check the parents' interest and cooperation and to brief them about needs and regulations regarding school rules and requirements. Even if student clears the test and interview, seat will not be reserved, after clearance of test and interview. Admission will be given only on first come first get basis, so after interview successful candidates must immediately complete admission process for the concerned class. This procedure of test and interview is adopted to maintain standard and quality.

FIVE ONWARDS

Subject to availability of seats, primarily to replace dropouts or withdrawal cases an entrance test will be held before all such admissions. In exceptional cases students may be admitted during the session, subject to his / her performance in the written test and interview. Admission is granted strictly on merit basis. However, the school reserves the right to refuse admission to anyone without assigning any reason. The result of entry test for all classes is strictly confidential and cannot be challenged under any circumstances. Layout for the entrance test for the concerned class will be furnished at the time of issuance of prospectus or admission form but it is only a format to give an idea.

AGE LIMIT FOR ADMISSION

Five:	09.5	-----	10 Years	Eight:	12.5	-----	13
Six:	10.5	-----	11 Years	Nine:	13.5	-----	14 Years
Seven:	10.5	-----	11 Years				

PRE ADMISSION IMPORTANT NOTE

- Before admission parents must keep in mind following points:
- The behaviour of parents/ guardians with school staff and administration is given utmost importance in the regard of admission and promotion.
  - Parents are requested to fully acquaint themselves with the criteria and procedure of admission and rules regulation stated in the prospectus. Parents after admitting their child/ children have agreed to abide all the rules stated in the prospectus and no appeal should be considered against it.
  - The school reserves the right to reject or accept registration without assigning any reason.
  - Pick and drop timing should be followed strictly, no early or late arrival or departure will be considered.
  - It is noted that due to problems of signals or non availability of connection we cannot get to parents some times on cell numbers. So give contact numbers in abundance along with the names and relation of receiver, so in case of emergency parents can be approached. Do provide landline number as well. Details can be given on separate page along with the admission form.

CHANGE OF ADDRESS & CONTACT NUMBERS

In case of change of address, telephone, cell numbers or email; parents/ guardians must promptly inform the administration for updating the record. So in case of emergency and need, parent/ guardian must be contacted in time.

PERMISSION FOR LOCAL/FIELD TRIPS

School students participate in activities organized by school within 30 mile radius of the school building. This will include visits on foot and school arranged transport during school timings to different areas or institutes. Parents who are not in favour of these visits may please submit an application along 'Admission Form'. As mostly these trips are planned on short notice, so for these study trips we cannot ask students to bring permission letters.

PERMISSION FOR PUBLICATION OF STUDENT’S PHOTOS OR VIDEOS

The school may publish photographs of your child or samples of work done or activities by your child in variety of ways. The publications could include, but not limited to school newsletters, on the school website, local newspapers, college magazine, billboard and prospectus. If published, third parties would be able to view the photographs, videos and work. If parents are not in favour of this, they may submit their disapproval in written along 'Admission Form' and clearly instruct their child to get aside at the time of photo-session.

21. PROCEDURE FOR ADMISSION

FACULTY OF SCIENCE (F.Sc-I)

The candidate must have completed ten years of education as a regular student from an English medium school in the current year, and obtained at least 70% marks in Matric (SSC Examination). As the admission in F.Sc has to be granted before the declaration of SSC result, therefore, the minimum criterion for admission in the F.Sc is 70% marks in class 9th examination as well as qualifying college Entry Test and Interview.

ENTRY TEST

Date(s) for entry test(s) is announced well in time through different means like newspapers, signboards and social media etc. Issuance of prospectus is compulsory to sit in the entry test. The candidates are also required to bring the following material/accessories with them and reach the hall at least 30 minutes before the given time, to avoid any inconvenience.

Material to be brought may include:

- Exam board (file cover, book & notebook etc are not allowed)
- Ballpoint, Pens and Markers
- Pencil and Eraser
- Scale

Note:

- Mobile Phones are strictly prohibited in the entry test hall/ premises.
- Qualifying of entry test and even interview doesn't mean the confirmation of admission, as any candidate may be refused without assigning any reason if the college administration deem so.

INTERVIEWS

After qualifying the entry test, the candidates are required to clear the interview. The interviews are conducted by the management & experienced faculty members. The appearance of candidate along with both guardian(s) before the interview panel is compulsory. In interview the academic & behavioural position of the student is assessed. Beside this, the attitude of the person(s) going to be the guardian(s) of the student is also analyzed. After conducting the detailed interview, final selection of candidates takes place and successful candidates are asked to submit admission form with required documents.

DOCUMENTS REQUIRED AT THE TIME OF ADMISSION

The successful candidates have to submit the following documents at the time of admission:

- I. Duly filled specified College Admission Form
- II. Ten(10) photos (1.50”X1.25”) with light blue background in plain white shirt without wearing any coat, jacket, sweater, etc
- III. Four(04) copies of the DMC of SSC (9<sup>th</sup> and 10<sup>th</sup> both) (unattested)
- IV. Two(02) copies of character certificate (unattested)
- V. Two (02) copies of CNIC of each guardian
- VI. Affidavit on judicial stamp paper of worth Rs. 50/- duly attested by Notary Public (as per college specimen annexed with admission form)
- VII. Migration certificate in original and verified copy of SSC (10th) DMC from concerned Board (only for students other than Abbottabad Board)
- VIII. Fee Schedule duly signed by both guardians
- IX. Handwritten application for requesting admission by students signed by the guardian

NOTE: Candidates waiting for SSC result are required to submit the DMC of class 9th and the pending documents soon after the SSC result.

WHO CAN BE GUARDIAN OF STUDENTS

Guardian means a person who takes the responsibility of student's conduct, activities and academics etc. The following person can be included as acceptable guardians, any two of them may act as guardian.

1. Father
2. Mother
3. Paternal Grandfather(real father of student's father)
4. Maternal Grandfather (real father of student's mother)
5. Paternal Uncle(real brother of student's father)
6. Maternal Uncle (real brother of student's mother)
7. Elder brother or sister.

**IMPORTANT NOTE:** Guardians at serial no. 5,6 & 7 must have attained the age of 40 years, guardians less than prescribed age will not be acceptable. The paternal and maternal uncle shall produce legal and written evidence to testify their relationship with the student.

22. ASSESSMENT & EVALUATION

EXAMINATIONS, TESTS AND MONTHLY REPORTS

- To assess the progress of a student, monthly tests and three terminal examinations are held. For this purpose College provides answer sheets to students similar to the board pattern. Question paper pattern is also similar to the board. Answer scripts are checked by the concerned lecturers and results are compiled as annual exam pattern. The logic behind all these arrangements is to familiarize the students with annual examination system, so that they will not find anything unusual during annual examination hall.
- After compiling result of tests, staff meeting is conducted with principal and every student's weakness and situation is discussed in detail and reinforcement is provided to the students. In the light of the test result, plan for coming days of the session is prepared. Term exam results are conveyed to the parents through parent-teacher meetings.
- A student who fails in the terminal examination in more than two subjects is expelled from the college. In this regard, the decision of the principal is considered as final and is not challengeable in any court of law.
- Regular staff monthly meetings are conducted in the first week of each month to discuss the progress of the previous month. In the monthly staff meeting, individual written reports of students are discussed separately. In these reports, detail of lectures delivered, lectures attended by the student, days of absence and academic position of the student is mentioned.
- After compiling, the monthly report is handed over to the student concerned. In this regard all the parents/guardians are required to check and sign the monthly report of their daughter/ ward every month and return the duly signed report within two days.
- In case of using unfair means during monthly test and term examinations, the test/paper is treated as cancelled and strict disciplinary action may be taken against the student concerned.
- Special fine for absence even in a single test/paper may be imposed and the same test/paper is concerned as failed. No leave application is accepted during monthly tests and term examinations.
- Monthly tests and term results of fail students are handed over to the parents/guardian only. While normal/pass result can be handed over to students for signature, they have to submit it back on next day of PTM (Parents Teacher Meeting).

23. PARENT-TEACHER INTERACTION

Parent-Teacher meetings are arranged in which students' current level and rate of progress is discussed. Students' attendance, attitude, behaviour, achievements, reports are maintained in their personal files and each file is reserved for one student. As a result of this interaction college gets meaningful feedback from the parents which is helpful to boost the overall education position of the students.

IMPORTANT NOTE FOR PARENTS

- It has been observed during the previous years that some parents due to their personal business completely or partially ignore their son's/ daughter's academic progress. Their careless behaviour sometimes leads to their beloved ward towards complete ruin. Your regular contact with college administration will help in the career building of the student.
- It is required that all the parents remain in contact with college administration on weekly basis. All correspondence with parents is conducted through their children, so it is the responsibility of the parents to enquire about the matters regularly. Only two verified guardians of the student whose names are mentioned in the admission form can visit college. Irrelevant persons are discouraged to visit the college for deliberation with any reference with respect to the student concerned.
- Keeping in view the best interest of students and staff, the institution has framed its SERVICE REGULATIONS 2012 ONWARDS: as per rules; after fulfilling the eligibility criteria each staff member is required to sign a service agreement on judicial stamp paper of Rs. 1000/- for the minimum period of 01 year, for which he remains bound to continue his services or as the rules require otherwise. However, as it is a private institute change of staff members during or at due to any reason(s) is not questionable and arguments in this regard will the end of the session not be entertained.

24. DECORUM

It has been observed that there are certain points regarding decorum, etiquette and discipline of the institute which need extra attention. Violation of any rule and regulation of the institute is a very harmful tendency & without discipline, a student cannot make satisfactory headway in studies nor in later life. Acceptable behaviour, punctuality and complete observation of rules & regulation are the base of edifice and balanced personality. So to ensure the complete fulfillment of the desired decorum of the institute by the students, we need wholehearted cooperation of parents/guardians.

Dress Inspection

The proctorial board will inspect the dress everyday. Heavy fines and temporary expulsion from classes will be imposed on the students who are not wearing neat and clean dress daily. Prescribed uniform, hair accessories, properly polished shoes, properly trimmed nails and clean teeth are checked on daily basis.

- I. Use of chains around the neck or wrist or any other piece of jewellery is forbidden.
- II. Properly ironed uniform and polished shoes are the pre requisite of a smart turn out.

Late Arrival

It has been observed that even having very reasonable college timing in the area students usually come late. So to overcome this tendency some rules have been formulated by the college administration. The students are bound to abide by these rules and directives issued time to time in this regard, rules are:

- I. Students coming late up to five minutes will be fined.
- II. After five minutes, college gate will be closed and no student will be allowed to enter, and they will be marked absent; and parents will be responsible if they pretend to be at college on such day by wandering elsewhere.
- III. For habitual latecomers, parents will be called to give an undertaking about timely arrival of their son/ daughter. If that even doesn't work, the student will be expelled.
- IV. Please make sure and enquire if your child is a latecomer, make him/ her leave home 10 minutes earlier than their routine timings.

Attendance Rules

- I. Roll call is maintained in every lesson.
- II. For sitting in the annual/ semester exam, it is obligatory for a student to have 90% attendance during the session/semester.
- III. A candidate coming from some other college will have to submit an attendance certificate.
- IV. For leave, the father or guardian of the student (mentioned in admission form) will have to come personally and explain the reason for leave or send an application duly signed with copy of guardian's CNIC.
- V. Telephonic messages are not considered in this regard and the student will be marked absent.
- VI. For sick leave, the application must be supported by the doctor's certificate.
- VII. Leave for more than 03 days need medical certificate along with proper written application clearly stating days of leaves.
- VIII. Without approved application if student remains absent for 02 days he will be fined Rs. 100 per absentee.
- IX. In case of being absent for 03 days in a month, (consecutive or in intervals) will lead to temporary expulsion and students will be readmitted only after fulfilling readmission procedure.
- X. Student absenting themselves on days immediately after/before holidays will be heavily fined, which may be Rs. 100/- to Rs. 500/- per day. Other important days like days of class tests, result, function etc. may also be included in this category. No short leave will be entertained in any case.
- XI. Before dismissal time, students are not allowed to leave the college building, otherwise strict action will be taken.
- XII. Short leave is strictly prohibited, students are not allowed to leave the college during working hours; so parents /guardians are expected to cooperate with the college administration in this regard.
- XIII. Telephonic conversation and messages are strictly prohibited, therefore parents and well wishers are advised not to make contact on phone.
- XIV. In all cases, leave taken will be at students' own risk as far as percentage of attendance is concerned. Even Medical certificate will not condone a deficiency in attendance required by the institution and BISE.
- XV. Sick leave even if sanctioned on Medical certificate leading to absence in an examination will mean failure in that examination.

## 25. CO-CURRICULAR ACTIVITIES

Co-curricular activities play a vital role in promoting the physical, mental and spiritual development of students. A number of such activities provide chance to the students to display their talents and potentialities in informal environment. These activities are organized and pursued by the students under the supervision and guidance of the teachers.

### SPORTS

Regular sports weeks are held in which students take active part along with teachers in games like Cricket, Badminton, Table Tennis, Volley ball and Athletics etc. College teams are selected on the basis of the students' performance in internal games and these teams are sent to take part in Board and other competitions.

### MONTHLY COLLEGE FUNCTIONS

Every month college organizes functions in which the students participate. This encourages the students to take part in speech contests, drama, public speaking and other stage competitions. These activities help them to overcome stage shyness. English and Urdu debates further polish the communication skills of the students.

### MONTHLY SEMINARS

Administration arranges monthly seminars for teachers as well as students on variety of topics and current affairs. Through these seminars, students' communication skills are developed. In these seminars, not only scholars & teachers but also students present different topics.

### ANNUAL QURAN KHAWANI

Annual Quran Khawani is arranged during the month of October, in this students and teachers from class 7 onwards participate.

### TOURS AND TRIPS

Exposure to the natural environment is essential for broadening mental horizons, therefore, a well planned activity, study tours of students are arranged and these include short and long tours. Efforts are made to take students to all popular visiting places of Pakistan. In previous years, college arranged tours to Lahore, Islamabad, Murree, Chitral, Swat & Kaghan.

### INDUSTRIAL TOURS

Industrial tours are also arranged for the exposure & practical application of the knowledge. These tours ensure the rewarding experience.

### ADVENTURE CLUB

A club of the students organizes events like Hiking and Boating etc. It is affiliated with adventure club of Pakistan.

### PERFORMING ART SOCIETY

Performing art society headed by head of society holds stage shows and different contests, it works under Pakhlains' Literary Society.

## 26. STUDENTS QUALITY CIRCLES

Total Quality Circles is an approach to prepare total quality persons that are the strong base for the development of the nation. Total Quality Circles is the integration of the excellence like academic, behavioural, psychological, social, moral and spiritual excellence. The philosophy of the Total Quality Education can be brought into reality in the academics as well as transforming youth as quality future leaders. It is a way to have meaningful education for strong positive Pakistan. Aim of applying SQC in academics is to create leaders and direct our youth in a positive way so they should realize their strengths and should optimize them as well. So far our students proved their abilities at National, International Sr Regional Conventions.

## 28. Testimonials

**Capt. Dr. Muhammad Adil**  
3rd Position Holder  
BISE Abbottabad

I was lucky enough to be a part of Jinnah Colleges because of its devotion to students, dedication to professional goals and motivation to achievement of the excellence.

### Umer Faizan Ghilzai

A decade ago, in year 2008, my parents chose Jinnah Colleges Mansehra to be my alma-mater for intermediate. Ten years down the stream as now I am a part of the Pakhlian's number one broadcast channel. I look back at my parents' decision to be the wisest one. The motto of the college is "Education that Works" and believe me it worked for me. The years that I spent at this bright educational institute became the backbone of my career-building skills. The confidence, public speaking skill, ability to look beyond the written lines and comprehend not only text but also what is beyond it is what I learnt here.

Whoever ask me about, I proudly represent myself as "Pakhlian".

In Jinnah Colleges, I have spent the best era of my life. Here I was challenged to achieve my goals with the guidance of best faculty. At JCM I got many blessings in the form of discipline, the best teachers and the best friends that are still with me.

Dear young Pakhlians, I believe that God has put gifts of talent and ability inside every one of us. When you develop that you at and you believe that you're a person of influence and a person of purpose you can rise up out of any situation. As you sail across the muddier waters of life be watchful not to lose balance in your pursuits and learning. Remember to do justice but do not lose the capacity for compassion.

Develop a broader perspective of things in life and beware of your responsibility towards your family and country. May Almighty Allah (SWT) bless you all in your endeavors. (Ameen)

### Engr Capt. Shoiab

Whatever I have achieved is because of the influence and inspiration of the teachers. I feel lucky to be blessed with the teacher and mentor like Sir Fayyaz Ahmed. He has always been a source of inspiration to me. Every day I make choices based on his advice. Sometimes I realize he doesn't even know that I am repeating his words to the soldiers. American Historian Henry Adams said and I couldn't agree more that "Teacher affect eternity; no one can tell where their influence stops."

## Reflection of Pakhlian (Alumni)

**Abdul Subhan**  
1st Position Holder BISE Abbottabad  
Pre-Medical Group

After entering into ear of higher secondary education after going through different college I selected to continue my education in one of the renowned institution in my area. Jinnah College Mansehra. It is the college where everyone flourishes and same happened to me. The main thing I learnt from this institution is the belief in myself. The academic staff and administrator Sir Faureez Ahmed and director Sir Fayyaz Ahmed always encouraged every student and specially me that I can do something extraordinary and because of their prayers and hard work I topped medical group in overall BISE Abbottabad. Jinnah Colleges is not only the name of best educational institute but it is the institute where you can learn each and every aspect of life that is necessary for upcoming life. May this institution get more prosperity in future.

Engineering NUST  
(being Pak Army Cadet)

I was fortunate enough to complete my higher secondary education at Jinnah Colleges. It was the year 2013, when I first entered the gates of Jinnah Colleges and after that there was no turning back. Jinnah Colleges provided me a venue to groom myself in multiple dimensions. My academic potential was fully realized in Jinnah Colleges as I passed out as a position holder in annual board exam. The institute offers one of the best faculty in Pakistan, offering multiple scholarships for academic high achievers and I was one of them. Administration was interactive with students, sorting out any problems academic or otherwise, the students might face. The college has a lot of opportunities to offer. It is important that a student sets few important goals and focus on making the most out of it.

I remember being a topper in F.Sc (Pre-Med) of first batch. Jinnah Colleges has produced enormous jewels performing their duties in various fields. Not just academically the institution excelled my talent but it also groomed my confidence level which I believe is more important in modern era apart from hard work and intellect.

I carried that confidence up to University level and Alhamdulillah achieved milestones. I suggest the students to get admission in Jinnah Colleges as it is the August institution of the region.

"Real man don't dance to other people's tune, they play for others to dance" (Michael Bassey Johnson). People have their ideals in their life to whom they always look up to. These ideals however, can halt their ability to be innovative and to think out of the box. Admire people and their qualities but never follow them blindly, adopt their attributes but never embrace them. Life is a race and if you are a follower, you will never be on top. Be a trendsetter. Jinnah Colleges was indeed a stepping stone to me. It all started here. I still remember the first time, standing behind the mic, nervous I was and then the same year, declared as the debater of the year against all odds. Jinnah Colleges nourished me to be confident and bold, the achievements on which I am really proud of and the wonderful journey that is still continued, all started from here.

Jinnah Colleges is the best learning state. My college inspired me to think and to act differentially for Sir Fayyaz and Sir Faureez. "For the world you are guides and teachers but for me you are my heroes and role models." Thank you.
